

Total Aircraft Spares

Buying, Selling or Trading

The Right Choice

StandardAero Total Aircraft Spares offers our customers a reliable, 24-hour, support network that specializes in new and exchange part sales, repair and overhaul. Our talented group brings over 100 years of collective experience and expertise to provide the best service possible. You can look to StandardAero's Team to be a consistent resource, from replenishing stock to responding to your AOG needs.

Services We Offer

AOG SUPPORT: 24-hour, seven-days-a-week parts support for all of your aviation needs. Call anytime on our AOG line +1.602.284.0053

REPAIR / OVERHAUL: We overhaul, repair and function test airframe, engine and avionics line replaceable units (LRU's).

CONSIGNMENT: Turn your surplus inventory into cash quickly. Send us your list today!

SALES & LEASE: We sell and lease complete engines & APUs for most business aircraft.
