

Pratt & Whitney Canada JT15D

The greatest ability is reliability

We understand that time is money, and that you rely on your business jet to take you where you need to be, when you need to be there. As one of the most trusted independent JT15D Designated Overhaul Facilities (DOF), StandardAero is 100% committed to delivering you reliable, responsive engine support.

Flexibility is one of the key ingredients to being successful

Each one of our customers has unique requirements, and we support these needs with bespoke JT15D maintenance offerings tailored to each operator. As an independent MRO provider, we are able to offer the most comprehensive and flexible support solutions for your engines.

Affordability without sacrificing quality

StandardAero offers a portfolio of cost-effective maintenance solutions for JT15D operators. In 2015, we were entrusted by P&WC with meeting the go-forward engine service plan needs of its JT15D operators, and today we support customers worldwide through our VMAX pay-by-hour maintenance program. We also protect our customers' interests with a 'repair over replace' ethos which minimizes unnecessary costs.

How StandardAero Keeps You Flying:

JT15D Heavy Maintenance:

- Overhaul and Repair
- Foreign Object Damage (FOD) repair
- Metal In Oil (MIO) repair
- Component repair
- Hot section inspection
- Borescope inspection
- Engine performance testing
- Engine conversions
- Failure analysis
- Service Bulletin (S/B) compliance
- Worldwide field service

JT15D Light Maintenance:

- Fuel nozzle testing and overhaul
- Fan repair
- Minor engine repairs
- Hot section inspection
- Borescope inspection
- Failure analysis
- Accessory/component exchanges
- Service Bulletin (S/B) compliance
