Your Trusted Service Partner for P&WC PT6A Engines

StandardAero is a Pratt & Whitney Canada PT6A Designated Distributor and Overhaul and Facility. With over 25 years of reliable turboprop experience, our team is dedicated to helping you make the right decisions by providing options and recommendations that are tailored to your specific needs. To optimize your service experience, our facilities and infrastructures have been specifically designed for component repair and maintenance events with the operator in mind- minimizing downtime and reducing costs.

Service with a global perspective. StandardAero's Service Centers are strategically located around the world, providing quick, convenient, and reliable solutions for your engines:

- Winnipeg, Canada (Overhaul & Service Center)
- Tilburg, The Netherlands
