Your Trusted Service Partner for P&WC PT6A Engines

StandardAero is a Pratt & Whitney Canada PT6A Designated Distributor and Overhaul and Facility. With over 25 years of reliable turboprop experience, our team is dedicated to helping you make the right decisions by providing options and recommendations that are tailored to your specific needs. To optimize your service experience, our facilities and infrastructures have been specifically designed for component repair and maintenance events with the operator in mind, minimizing downtime and reducing costs.

Service With a Global Perspective

StandardAero's Service Centers are strategically located around the world, providing quick, convenient, and reliable solutions for your engines:

| — Winnipeg, MB, Canada | — Bournemouth, UK | — Nairobi, Kenya |
| — Grapevine, TX, USA | — Tilburg, Netherlands | — Johannesburg, South Africa |
| — Kennesaw, GA, USA | | |

Best In Class Turn Around Time and Warranty

StandardAero has earned a reputation for responsive service that is focused on minimizing your aircraft downtime. Rental engines and other assets are available to ensure that you remain operational while the work is performed, thus minimizing any inconvenience. Furthermore, we stand behind our work with one of the best warranties in the business. This assurance reflects the rigorous quality processes that our highly trained team follow, in order to provide uniformly high standards across our facilities.

Dedicated Field Service Teams Available 24/7

Unlike most MRO providers, StandardAero doesn't pull technicians from the shop floor to assist your AOG event. We have dedicated Field Service Teams who are trained, equipped and authorized to provide troubleshooting, emergency warranty and maintenance services 24-hours a day, anywhere in the world. If you can't come to us, we will come to you!

Your Trusted Service Partner for P&WC PT6A Engines
