

Alejandro Mayoral

Senior Vice President - Information Technology

Alejandro Mayoral serves as Senior Vice President, Information Technology. He joined StandardAero in April, 2018 and is responsible for the company's enterprise-wide information technology vision, strategy and execution. He is a member of the company's Executive Leadership Team.

Prior to joining StandardAero, Mayoral served as Chief Information Officer, supporting GE Aviation's Supply Chain and Business & General Aviation organizations. In that position, he provided global technology direction, vision and strategy for a \$24+ billion dollar business with 80 locations around the world. Earlier in GE, Mayoral served as Chief Information Officer for Avio Aero a GE Aviation business where he completed the integration of the recently acquired business unit and he led all aspects of information technology. He also served as Information Technology Director for the ERP implementation at GE Aviation's MRO facilities. During his 20-year career, he has also served in roles as Lead Technologist for Hewlett-Packard and as Global Product Manager for the Procter and Gamble Company.

Mayoral holds a Bachelor of Science degree in Computer Engineering from Universidad Simón Bolívar, Venezuela, an MBA in International Business from Xavier University and a Master of Science degree in Computer Science from University of Southern California.

StandardAero is one of the world's largest independent providers of services including engine and airframe maintenance, repair and overhaul, engine component repair, engineering services, interior completions and paint applications. StandardAero serves a diverse array of customers in business and general aviation, airline, military, helicopter, components and energy markets. StandardAero is owned by The Carlyle Group (NASDAQ: CG), a global investment firm with deep industry expertise that deploys private capital across four business segments: Corporate Private Equity, Real Assets, Global Credit and Investment Solutions. With \$224 billion of assets under management as of December 31, 2019, Carlyle's purpose is to invest wisely and create value on behalf of its investors, portfolio companies and the communities in which we live and invest.
