

Marc V. McGowan

*President
Business Aviation*

Marc McGowan serves as President, Business Aviation. McGowan is responsible for leading the achievement of performance objectives, customer satisfaction and business development activities of the Business Aviation Sector, which is dedicated to the maintenance, repair and overhaul (MRO) of non-commercial, business aviation aircraft. McGowan reports directly to the CEO of StandardAero and is a member of the company's Executive Leadership Team.

Prior to his role as President, Business Aviation, McGowan served as Vice President Strategy, Business Development and Product Management for Business Aviation, responsible for all aspects of strategy development and execution as well as product management.

Prior to joining StandardAero, McGowan served as Vice President, Aircraft Platform Solutions for the Engine Systems and Accessories business of Honeywell Aerospace; Vice President of Sales and Marketing for Honeywell Aerospace Aviation Aftermarket Services and Vice President, Sales and Support for Honeywell Aerospace - Business, Regional and General Aviation. He retired from Honeywell after nearly 20 years of service in 2011.

In addition to his civilian career, McGowan served 29 years in the U.S. Navy as a commissioned Naval Flight Officer and Naval Reserve Officer. He accumulated over 2,500 flight hours in five aircraft types and 300 carrier-arrested landings. He has served as the Commanding Officer of two Reserve Augment Units, and retired at the rank of Captain.

McGowan holds a Bachelor's degree from California State University, Long Beach and a Master of Business Administration from Oregon State University.

StandardAero is one of the world's largest independent providers of services, including engine and airframe maintenance, repair and overhaul, engine component repair, engineering services, interior completions and paint applications. The company is a global enterprise that employs nearly 4,000 employees worldwide with annual revenues exceeding \$1.8 billion. StandardAero serves a diverse array of customers in business and general aviation, airline, military, helicopter, components, energy and VIP completions markets. The company celebrated its 100th year of industry leadership in 2011. StandardAero is owned by and partnered with Veritas Capital, a leading private equity firm headquartered in New York City.
