

Robert Cords

President

Airlines & Fleets

Rob Cords serves as President, Airlines & Fleets. As the leader of StandardAero's largest business sector, Cords is responsible for the operational and financial performance of the three business units comprising the Airlines & Fleets Sector. He reports directly to the CEO of StandardAero and is a member of the company's Executive Leadership Team.

Since joining the company in 2010 and prior to his current role, Cords served as StandardAero's Senior Vice President, Corporate Strategy and Customer Development, responsible for developing sustainable, long-term global strategic planning for the business and for creating innovative approaches to growing existing products and services. While in this role, Cords also was responsible for communications and corporate branding, sales operations and customer service management. Prior to joining StandardAero, Cords served as Associate Partner at the Oliver Wyman Group in their Aviation, Aerospace & Defense Practice. Prior to joining Oliver Wyman, Cords was Regional Controller for the St. Paul Fire & Marine Insurance Company's midwestern operation.

Cords holds an MBA from Northwestern University's Kellogg Graduate School of Management and a Bachelor's degree in Business from Indiana University.

StandardAero is one of the world's largest independent providers of services, including engine and airframe maintenance, repair and overhaul, engine component repair, engineering services, interior completions and paint applications. The company is a global enterprise that employs nearly 4,000 employees worldwide with annual revenues exceeding \$1.8 billion. StandardAero serves a diverse array of customers in business and general aviation, airline, military, helicopter, components, energy and VIP completions markets. The company celebrated its 100th year of industry leadership in 2011. StandardAero is owned by and partnered with Veritas Capital, a leading private equity firm headquartered in New York City.
