Fast Turns To Get You Back In Service

From our shop floor to the flight line, your 18 will be returned to service quickly. To reduce engine downtime, we have optimized the process flows throughout our facilities for maximum efficiency.

Additionally, we focus on developing repair processes to restore your components to OEM specifications, reducing the need for expensive new replacement parts. While your 18 is in our shop, one of our dedicated staff will keep you informed about its progress so you can make quick, confident maintenance decisions.

Dedicated Field Service Teams Available 24/7

Unlike most MRO providers, 4WBUPOH doesn't pull technicians from the shop floor to assist your AOG event. We have dedicated Field Service Teams who are trained, equipped and authorized to provide troubleshooting and emergency maintenance services 24-hours a day, seven days a week, anywhere in the world. If you can't come to us, we will come to you!
