

Facility Facts

Fleetlands, UK Facility

Business Aviation Capabilities Overview

StandardAero's Fleetlands facility in Gosport, UK is one of Europe's most capable MRO service providers. For over 80 years, the Fleetlands operation has served the aviation community. With over 400 technicians at your service, each averaging 15 years of experience, we can perform virtually any maintenance event – scheduled or unscheduled. While the facility has a broad scope of capabilities including military, helicopter and business aviation this summary focuses on the site's business aviation services.

We Are An Authorized Service Center For:

Honeywell - Heavy

- TFE731 Series - Heavy
- ALF502 & LF507 - Heavy
- HTF7000 Series - Minor

Pratt & Whitney - DOF

- PW305, PW307, PW308
- PT6A, PT6T
