

Rolls-Royce AE 3007

Committed to our Customers

StandardAero is the ONLY United States-based Rolls-Royce AE 3007 Authorized Maintenance Center (AMC), supporting all variants of the engine. Located in Maryville, TN, StandardAero is committed to supporting our customers through a combination of fast turn-times, minimized engine operating costs, and world-class customer support.

Experience that brings you peace of mind

Providing support to fleet leaders since 1997, StandardAero has to date processed over 5,000 AE 3007 engines, offering the latest in industry repair developments and performance initiatives. Our advanced turbine shop is purpose-built to meet the unique requirements of repair, overhaul, and component restoration production operations. Our experience and shop design are the corner stones to providing high standards in quality while delivering responsive turn-times, all with the objective of meeting our customer's operational requirements.

Dedicated Field Service Teams available 24/7

We have dedicated Field Service Teams who are trained, equipped and authorized to provide trouble-shooting, emergency warranty and maintenance services 24 hours a day, seven days a week, world-wide. If you can't come to us, we will come to you!

For AOG situations and emergency troubleshooting, please call us at:
