## Best In Class Turn Around Time and Warranty

StandardAero has earned a reputation for responsive service that is focused on minimizing your aircraft downtime. Rental engines and other assets are available to ensure that you remain operational while the work is performed, thus minimizing any inconvenience. Furthermore, we stand behind our work with one of the best warranties in the business. This assurance reflects the rigorous quality processes that our highly trained team follow, in order to provide uniformly high standards across our facilities.

## Dedicated Field Service Teams Available 24/7

Unlike most MRO providers, StandardAero doesn't pull technicians from the shop floor to assist your AOG event. We have dedicated Field Service Teams who are trained, equipped and authorized to provide troubleshooting, emergency warranty and maintenance services 24-hours a day, anywhere in the world. If you can't come to us, we will come to you!.
