

Pratt & Whitney Canada PW150

Responsive Support For Dash 8-400 Users Worldwide

StandardAero is one of only two independent Pratt & Whitney Canada PW150 Designated Overhaul Facilities (DOFs) worldwide. With over 60 years of reliable turboprop experience, our team is dedicated to helping you make the right decisions by providing options and recommendations that are tailored to your specific needs. To optimize your service experience, our facilities and infrastructures have been specifically designed for component repair and maintenance events with the operator in mind, minimizing downtime and reducing costs..

State-Of-The-Art Service From A State-Of-The-Art Facility

StandardAero supports the PW150A from a state-of-the-art overhaul facility located in the Seletar Aerospace Park, Singapore. Equipped with full overhaul and test capabilities, and holding CASA, EASA and FAA approvals, this location provides Dash 8-400 operators worldwide with cost-effective, viable and easily accessible engine MRO solutions.

A Complete Range Of Service Offerings

StandardAero provides a full range of heavy and light maintenance services for the PW150A, from overhauls, hot section inspections and repairs to borescope inspections and reduction gearbox (RGB) changes. Our engineering team also offers an extensive range of supporting services, including engine performance testing, failure analysis and metal in oil (MIO) investigations. Our unique status as the sole P&WC DOF to also be approved as a CAMP Systems International Designated Analysis Center (DAC) also allows us to provide operators with Engine Condition Trend Monitoring (ECTM) and Engine Health Monitoring (EHM) services for their PW150A powerplants.

Dedicated Field Service Teams Available 24/7

Unlike most MRO providers, StandardAero doesn't pull technicians from the shop floor to assist your AOG event. We have dedicated Field Service Teams who are trained, equipped and authorized to provide troubleshooting, emergency warranty and maintenance services 24-hours a day, anywhere in the world. If you can't come to us, we will come to you!

SERVICE HIGHLIGHTS

- P&WC Designated Overhaul Facility (DOF) & independent MRO provider
