Subject: Certificate CAEM Period Extension, under TA-M between ANAC-Brazil and TCCA-Canada

Reference: MMT - Maintenance Management Team Meeting - December 2022.

Dear Sir/Madam,

1. In order to prevent lack of support to Brazilian operators, while the Implementation Procedures for the Technical Arrangement on Aviation Maintenance (TA-M) is under revision process by TCCA and ANAC, the two authorities have agreed to extend current expiry dates by an additional 12 months. Therefore, your Brazilian Maintenance Organization Certificate (CAEM) **0006-01/ANAC** (extension expiring on 31 MAY 2023) is valid until **31 MAY 2024**.
2. This letter will serve as proof of such certificate period extension on further TCCA or ANAC inspections/audits.
