Vector Aerospace Engine Services – Atlantic Inc
P.O. Box 150,
Summerside, PEI
Canada C1N 4P6

Attn.: Mr. William Batchelor, Director of Quality Assurance

Dear Sir,

Letter of Acceptance under the terms of the Technical Arrangement on Aviation Maintenance between Transport Canada Civil Aviation (TCCA) and Hong Kong Civil Aviation Department (HKCAD)

I refer to the notification of TCCA on the name change of your company from Atlantic Turbines International Inc to Vector Aerospace Engine Services – Atlantic Inc.

This letter serves as the confirmation that Vector Aerospace Engine Services – Atlantic Inc is qualified, under the terms of the Technical Arrangement on Aviation Maintenance between TCCA and HKCAD, to perform maintenance on Hong Kong aeronautical components. The CAD acceptance number AD/CAI/133 remains unchanged.

Pursuant to the requirement of the Technical Arrangement, any maintenance performed on Hong Kong aeronautical components will be performed in accordance with the ratings and scope of work established by TCCA and the requirements set forth in the Technical Arrangement.

Should you have any questions regarding this issue, please contact your TCCA representative.

Yours faithfully,

(Y.P. Tsang)
Chief, Airworthiness Standards
for Director-General of Civil Aviation

c.c. Mr. Brian Clarke, Acting Superintendent, Operational Airworthiness Standards and Procedures, AARTM, TCCA
