16G Upholstery Completion Centers/ Direct Ship Authority

Dear Mr. Lampman,

Standard Aero has been granted approval based on 16G training requirements as outlined in Document No. 103, Rev. P, and Document No. 105, Rev. E, or later approved revisions.

Standard Aero is hereby Approved, as an upholstery completion center of B/E Aerospace 16G seating articles labeled with the Technical Standard Order (TSO) C127 & C127a designations.

The approval is for a period of 18 months due on November 21th, 2022. This approval is not transferable.

The following CF designees are authorized inspectors:

Bryan Lampman	Joseph B. Ansley	John Satterlee	Steve Lanaghan
Tim Rumble	Joseph Moss	Bruce Basinger	Orozco Octavio

The required documentation for each ship set of seats is explained in Quality Document No.103, and Document No.105. Any change in appointed designees inspecting, signing the statement of conformity, or modification to upholstery buildup design previously approved, including subcontracting the work outside of Standard Aero facility must be communicated in writing to B/E Aerospace Quality Management.

Standard Aero is responsible for presenting First Article Inspection (FAI) requirements, per Document No. 103 on initial completion center approval, or when deemed necessary by B/E Aerospace.

Standard Aero is authorized to upholster, inspect, install TSO/MOD tags, on behalf of B/E Aerospace and assuring upholstery is completed per approved upholstery and finish control (limitation) drawings, and Quality Document No. 103, and Document No. 105, as applicable.

Standard Aero has been granted Direct Ship Authorization (DSA), per procedure QA-06-003, and may undergo a quality system audit by the Federal Aviation Administration (FAA) as part of their normal surveillance of B/E Aerospace as a TSO holder.

Standard Aero is not authorized to grant their suppliers and sub-tier suppliers direct ship authorization on behalf of B/E Aerospace.

If you have questions or I can be of any assistance, please do not hesitate to contact me.

Sincerely,

Carlos E. Rebollar
