**SUBJECT: SURVEILLANCE INSPECTION TO SUPPORT THE VALIDITY  
OF CERTIFICATE No.165 OMA STANDARD AERO – USA**

Dear sir,

We would like to inform you that in accordance with the provisions of the Colombian Aeronautical Regulation, number 145.115 "Certificate Duration", we carry out the Inspection at your facilities to monitor compliance of the organization with the requirements of the RAC 145 for the maintenance of the Validity of the Certification granted by the Colombian Civil Aviation Authority as an Aircraft Maintenance Organization, for which the Internal Audits carried out by StandardAero in the current year were reviewed and the Surveillance Checklists related below applied to all processes and areas of the Organization were completed, through the maintenance records generated from Work Orders No.371930, 371932 and 371912 made for Colombian operators versus the Authorizations established in the List of Capacities approved to this Organization of Maintenance (MRO). Applicable Checklists:

- GIVC1.012358 Check List Repair Station Staff,
- GIVC1.012353 Check List Tools, Equipments and Materials,
- GIVC1.012360 Check List Repair Station Facilities,  
GIVC1.012352 Check List Maintenance Records,

- GIVC1.012355 Check List Maintenance Data,
- GIVC1.012354 check List certificate of maintenance conformity Aircraft/component,
- GIVC1.012360 Check List Repair Station Facilities,
- GIVC1.012357 Check List Repair Station Manual,
- 15.0 GIVC1.012357 Check List Repair Station Manual
- 13.0 GIVC1.012359 Check List Repair Stations Safety Management System (SMS)

According to the sampling taken for the completion of these Checklists, no evidence of non-compliance by the Organization with the procedures established in the SRQCM and its Supplement (MOM) was found, and the findings detected were clarified during the inspection, therefore that the result of the Inspection is considered satisfactory to maintain the indefinite validity of the Certificate of approval issued by the Colombian Civil Aviation Authority to the StandardAero Maintenance Organization.
