

Dan Satterfield

Chief Financial Officer

Dan Satterfield serves as Chief Financial Officer (CFO) for StandardAero. He is responsible for StandardAero's global financial strategies, day-to-day financial, accounting, and tax operations, performance, reporting, and long-range business planning, including investor relations, treasury, controller, and audit operations. He reports directly to the CEO and is a company's Executive Leadership Team member.

Satterfield joined StandardAero in 2023 after serving as CFO of Honeywell Aerospace's \$14 billion aerospace portfolio of products and services. Prior to his service at Honeywell, he worked in senior executive financial leadership roles at Gates Corporation, Eaton, Cooper Industries, and Siemens.

He is an accomplished financial executive with more than 30 years of international management experience delivering strong leadership in growth, productivity, acquisition integration, financial reporting, and complex accounting. He also has extensive engineering and manufacturing management expertise and corporate SEC and US GAAP experience.

Satterfield holds a Bachelor of Business Administration degree, majoring in accounting, from the University of Georgia. He is a Certified Public Accountant and is bi-lingual in English and German.

StandardAero is a leading independent provider of aviation services including engine and air-frame maintenance, repair and overhaul, engine component repair services, engineering services, interior completions and paint applications. StandardAero serves a diverse array of customers in business and general aviation, airline, military, helicopter, components and energy markets. StandardAero is owned by global investment firm Carlyle (NASDAQ: CG), a global investment firm with deep industry expertise that deploys private capital across its business and conducts its operations through three business segments: Global Private Equity, Global Credit and Global Investment Solutions. Carlyle's purpose is to invest wisely and create value on behalf of its investors, portfolio companies and the communities in which we live and invest.
