Alejandro Mayoral
Senior Vice President - Information Technology

Alejandro Mayoral serves as Senior Vice President, Information Technology. He joined StandardAero in April 2018 and is responsible for the company's enterprise-wide information technology vision, strategy and execution. He is a member of the company's Executive Leadership Team. Prior to joining StandardAero, Mr. Mayoral served as Chief Information Officer, supporting GE Aviation's Supply Chain and Business & General Aviation organizations. Earlier in GE, Mr. Mayoral served as Chief Information Officer for Avio Aero a GE Aviation business where he completed the integration of the recently acquired business unit and he led all aspects of information technology. He also served as Information Technology Director for the ERP implementation at GE Aviation's MRO facilities. During his 20-year career, he has also served in roles as Lead Technologist for Hewlett-Packard and as Global Product Manager for the Procter and Gamble Company. Mr. Mayoral holds a Bachelor of Science degree in Computer Engineering from Universidad Simón Bolívar, Venezuela, an MBA in International Business from Xavier University and a Master of Science degree in Computer Science from University of Southern California.
