Subject: ANAC-Brazil Maintenance Organization – Supplement Approval Letter

Dear Brent,

Considering the MoU and the TA-M between TCCA and ANAC Brazil, this is to inform you that Standard Aero Limited, TCCA AMO number 22-58, ANAC Supplement Amendment 0, Issue 6, dated 2024-06-26, is hereby approved by TCCA.

The ANAC approval reference is:

Standard Aero Limited

ANAC RBAC 145 Approval Reference number: 9906-04/ANAC

This supplement approval allows the performance of maintenance on Brazilian registered aircraft, engines and propellers subject to compliance with the Canadian regulation CAR 573 and the ANAC special conditions as detailed in the TA-M and ANAC Supplement.

Please be reminded that the ANAC RBAC 145 approved scope of ratings and limitations must not exceed the ones specified in your TCCA CAR 573 Certificate.

Once approved, the ANAC Supplement and associated privileges will remain in effect until surrendered, suspended, or cancelled by TCCA or ANAC.

Best Regards,

Eric Dacquay
