

# Quality Policy

To ensure an effective Quality Management System appropriate to PTS Aviation that encapsulates the following:

- 1) Commitment to the requirements of ISO standard
- 2) Continual improvement of our quality system
- 3) Communication and compliance by all PTS Aviation employees, vendors, and subcontractors
- 4) Periodic internal reviews of the quality system for continuing suitability and relevance.
- 5) Commitment to meet the requirements of all interested parties.
- 6) Establishment and review of Quality Objectives.
