- Centerless Grinding
- Surface and Low Stress Grinding
- ID and OD Grinding

Metal Finishing & Enhancements

- Flap Peen
- Glass Bead
- Shot peen

Non-Destructive testing

- Nital Etch
- Magnetic Particle Inspection
- Fluorescent Penetrant Inspection

Approvals

OEM Approvals:

- Pratt & Whitney
- Honeywell
- UTC Aerospace – Goodrich Landing Gear
- UTC Aerospace – Hamilton Sundstrand
- Lockheed Martin
- Bell Helicopter
- Safran Landing Systems
- Rolls-Royce
- Woodward
- Collins
- SpaceX

Certifications & Approvals:

- AS9100D, AS9110C w/ ISO9001:2015
- NADCAP Accredited
 - Non-Destructive Testing
 - Chemical Processing
 - Conventional Machining
 - Surface / Low Stress Grinding
- FAA / EASA & CAA Certified
- DDTC Registered
