

Alex Trapp

Chief Strategy Officer

Alex Trapp serves as Chief Strategy Officer for StandardAero. Mr. Trapp is responsible for leading enterprise-wide strategy development, pursuit of new engine platforms and orchestration of joint ventures, mergers, and acquisitions, working closely within each of the company's diverse end markets around the world. Prior to joining StandardAero in 2016, Mr. Trapp served as Vice President, Commercial at Rolls-Royce North America, where he was responsible for driving the company's strategy and long-term customer contracts, as well as bidding and negotiating new business. In addition to working at Rolls-Royce, Mr. Trapp has extensive airline expertise having served in strategic planning, corporate development and finance leadership roles for ExpressJet Airlines and Continental Airlines. Overall, Mr. Trapp brings over 26 years of experience advising and leading companies through startup, turnaround, and high growth environments to StandardAero. Mr. Trapp holds an MBA from Washington University's Olin School of Business and a Bachelor of Science degree in Business Administration from Trinity University.

StandardAero is a leading independent pure-play provider of aerospace engine aftermarket services for fixed- and rotary-wing aircraft, serving the commercial, military and business aviation end markets. StandardAero provides a comprehensive suite of critical, value-added aftermarket solutions, including engine maintenance, repair and overhaul, engine component repair, on-wing and field service support, asset management and engineering solutions. StandardAero is an NYSE listed company under the ticker symbol SARO.
