

Lewis Prebble

President Engine Services - Airlines & Fleets

Lewis Prebble serves as President Engine Services - Airlines & Fleets. As the leader of StandardAero's largest division, Mr. Prebble is responsible for the operational and financial performance of the multiple business units comprising Airlines & Fleets. He joined StandardAero in April 2021 and serves as a member of the company's Executive Leadership Team. Prior to joining StandardAero, Mr. Prebble served as Senior Vice President for the Americas at Rolls-Royce, leading the company's \$1 billion airline-facing jet engine business, where he was responsible for delivering comprehensive end-to-end customer experiences over the entire engine product life cycle. He has more than 25 years of impactful aerospace experience working in the aircraft engine and airline industries. During his career, Mr. Prebble has held multiple executive positions, including Senior Vice President, Customer Business at Bombardier, Vice President, Customer Business – Americas, Head of Business Development & Marketing, Services and Sales Director – Asia Pacific at Rolls-Royce. Prior to that, he worked for five years in strategic positions for Air New Zealand in Auckland. Mr. Prebble holds an Executive MBA from the Darden School of Business at the University of Virginia and a Bachelor of Commerce & Administration from Victoria University in Wellington, New Zealand. He is a New Zealand citizen, a British citizen and United States permanent resident.

StandardAero is a leading independent pure-play provider of aerospace engine aftermarket services for fixed- and rotary-wing aircraft, serving the commercial, military and business aviation end markets. StandardAero provides a comprehensive suite of critical, value-added aftermarket solutions, including engine maintenance, repair and overhaul, engine component repair, on-wing and field service support, asset management and engineering solutions. StandardAero is an NYSE listed company under the ticker symbol SARO.
