

Tony Brancato

President Engine Services - Business Aviation

Tony Brancato serves as President Engine Services - Business Aviation. He is responsible for leading the achievement of performance objectives, customer satisfaction and business development activities of the Business Aviation Sector, which is dedicated to the maintenance, repair and overhaul (MRO) of non-commercial, business aviation aircraft. Mr. Brancato serves as a member of the company's Executive Leadership Team. He joined StandardAero in March 2017 and previously served in roles as President, Associated Air Center (AAC) and as Senior Vice President, Business Integration, following the company's acquisition of Vector Aerospace. Brancato has more than three decades of aerospace industry experience, most recently working at Walbro, LLC, a Carlyle portfolio company. Prior to that, he held executive roles with Honeywell Aerospace, including VP of Global Business Aviation Aftermarket which generated more than \$1.4B in revenue and managed a network of 300 service centers. He also served as President of Honeywell's Federal Manufacturing & Technologies, a 2,700 person high security operation for the U.S. DOE. Prior to Honeywell, Mr. Brancato worked in leadership positions at Textron Lycoming and Rockwell International. He holds an Associate of Science degree in Engineering and FAA Airframe & Powerplant Certificate from Long Beach City College of California. He also holds a Bachelor of Arts degree in Management from the University of Phoenix and an MBA from University of New Haven. In addition, Mr. Brancato has completed Honeywell's Executive Development Program and is a Six Sigma certified Black Belt.

StandardAero is a leading independent pure-play provider of aerospace engine aftermarket services for fixed- and rotary-wing aircraft, serving the commercial, military and business aviation end markets. StandardAero provides a comprehensive suite of critical, value-added aftermarket solutions, including engine maintenance, repair and overhaul, engine component repair, on-wing and field service support, asset management and engineering solutions. StandardAero is an NYSE listed company under the ticker symbol SARO.
